To return an Order, follow our three step process:

1. Fill Out The Return Form: This form is included with your order. It must be filled out completely to ensure a speedy return.
2. Package Your Return: Include the original tags and original packaging.
3. Ship Your Package: Drop-off the package with your local US. Post Office.

That's it!

When re-packaging an item, please consider safely handling the item(s) by folding them properly.

To make an exchange:

Write the SKU Number and Size of the Product you want to exchange on the Return Form included with your purchase. You can find the SKU number under the clothing items name on the item's description page. It must equal or lesser value of the original purchase price. Exchanges will ship within 5-7 business days upon the date of return.

To receive a refund:

Select the "Refund" Option on your Return Form.

Refunds are issued usually the same day we receive the package. You will be contacted as soon as this request has been made to the email on the order form.

Credit Card Purchase can take 5 to 7 business days to transfer
Paypal purchases release funds back to the account within 24 hours. Cashapp payments will be refunded via cashapp within 24 hours of receiving the package.

If you have any questions, feel free to contact us at any time.
